EXPERIENCE

GPJ

Creative Technology Director
Oct 2019 - Current

A member of various leadership teams I define what creative technology means within GPJ and how to apply that knowledge to benefit our clients.

TEAM ONE

Creative Technologist
June 2014 - Oct 2019

Bridging the gap between the physical and digital creating prototypes, installations, proof of concepts and conceptual ideas for national advertising campaigns on various clients.

THINK, MAKE, REPEAT.

Owner
June 2016 - Present

Nerd at the core and a forever maker my interests lead to my career. I use my experience to create a variety of projects for myself or for my Etsy store to help spread the maker mindset and help others create their cosplay.
